INDEPENDENT SCHOOL GOULBURN

Annual Education and
Financial Report
2016

'a happy learning environment'

Foreword

Tambelin Independent School offers children and parents in the Goulburn and surrounding districts a unique alternative in education. Tambelin is an independent school with a current enrolment of 31 students from Kindergarten to Year 6. It provides an intimate and caring environment for children to learn and thrive in. The philosophy of the school is for children to be happy in the learning environment. Crucial to this, is that each child is regarded as an individual. A low student to staff ratio and limited class numbers provides the opportunity for focus on the individual. Children are encouraged to develop at their own pace and realise their full potential in a non-competitive atmosphere. Parents of the students together with the teachers run and administer the school. Tambelin is a registered school; our curriculum must follow the educational standards set by the Board of Studies. We aim to offer a sound understanding and knowledge in the areas of English and Maths for all students with a variety of experiences in music, foreign languages, computers and sport. The focus at Tambelin is the children, developing, extending and nurturing their needs educationally and emotionally. We strive to provide a 'happy learning environment ' for all our children.

NSW Literacy and Numeracy Action Plan 2015/2016 Priorities:

- a. Expand and enhance the focus on the central priorities of instructional leadership, diagnostic assessment, differentiated learning and tiered interventions in Years K-2 and to increase attention to the:
 - i. teaching of numeracy and mathematics
 - ii. relatively poor literacy performance of boys in comparison with girls
 - iii. teaching of writing
 - iv. performance of Aboriginal and Torres Strait Islander students, particularly in non-metropolitan areas.
- b. Engage in further strengthening of partnerships between home and school and the broader community, and in doing so draw on the strategies available to all schools through appropriate resources.
- c. Ensure resources under the Action Plan are directed to supporting the literacy and numeracy learning of students in Kindergarten to Year 2.
- d. Continue to report on the literacy and numeracy performance of students through the use of the Literacy and Numeracy Continua and examination of subsequent data, including Year 3 NAPLAN performance.
- e. Consider the impact of the chosen literacy and mathematics interventions on student learning; the impact of instructional leadership within the school; and the role of the parent and community body in contributing to literacy and numeracy development

Showcase and make available the outcomes of practices adopted under the Action Plan to other independent, Catholic and public schools.

Targets:

1. More than 90% of K-2 students are above or at bench mark in Numeracy according to LIEN by November 2016.
2. More than 70% of students in K-6 are above or at bench mark in reading DIBELS assessment in Term 4, 2016.
3. More than 70% of students are above or at benchmark for writing and comprehension.
4. Strengthen partnership between home and school through newsletters, updating school website, parent information evenings and parent teacher interviews.

**Message from the President -
Tambelin Independent School's Parent Governing Body****President's Report 2016/17**

It is with great pleasure to present the President's Report for Tambelin School, 2016. This was another important year in the life of the school.

The school continued to take part in the National Partnership for Literacy and Numeracy funding. This substantial funding has had an impact across the school community, children and staff. Funding has and will be spent on professional development, Spelling Mastery work books, Elementary Math Mastery, Junior Math Mastery, Assessment Resources for both Numeracy and Literacy. Most importantly the funding has given teachers the knowledge, skills and time to effectively assess individual children and plan meaningful programs to improve education within the school. This funding will make the school a better place for literacy and Numeracy learning.

Enrolments in the school throughout the year have been reasonably strong however, we continue to promote and encourage new enrolments in all years. Whilst our enrolment numbers have been steady we continue to maintain staff, three part time teachers and a teacher's assistant. We look forward to our new kindergarten children starting in 2018, with one orientation already complete.

We have enjoyed numerous excursions, projects, canteen days and other learning opportunities throughout the year. We are very fortunate to be able to involve our children in these life-long learning experiences. A current favourite has been the chicken and duckling raring. Keva continues to explore music with both the Junior and Senior classes.

It has been lovely to see the generosity amongst the school community for outside fundraising endeavours, like Pirate Day. Our fundraising ventures; Christmas raffle, Mother's Day stall and Valentine's Day Stall have been a great success, thank you to everyone involved in these activities. The students held their first art show at the

school, with children displaying art across various mediums, showcasing enormous talent. This was done under the tutelage of the teachers and Artist, Dan Hill.

Recent introductions of School Banking and Book Club have become a popular interest with the students, thank you to those parents who took these jobs on.

Thank you to present committee members for their dedication and commitment to the running of the school. Thank you to those parents who help in many other ways, transport on excursions, supporting fundraising, yard maintenance and various other projects.

Thank you to all the fantastic staff at Tambelin. They have remained enthusiastic and totally committed to providing the highest quality education available.

Parent support in Tambelin's education is vital. Everyone's contribution is appreciated and necessary in the running of this school.

We should all look forward to a very positive 2017.

Principal's Report 2016

Good evening Ladies and Gentlemen welcome to Tambelin's end of Year Concert. This is a celebration of the school year. The school year has many highlights, rewards and memorable learning experiences. Tambelin offers so much in a year. From Gala touch football days, tennis coaching, small schools sports day to the local visit to the Goulburn Regional Art gallery, just to mention a few. Learning is interesting and meaningful. Not only does learning need to be meaningful, it must be based on the Board of Studies syllabus outcomes, work towards achieving goals and assessing the learning frequently. Motoring learning is vital for all students to track progress. Then we can celebrate. Celebrate the achievements and reflect on what has changed and then move forward. Tonight we celebrate. Celebrate our achievements and look forward to another year.

Thank you to the parents as your role at Tambelin is vital. Whether it is on the school committee or parents meetings, turning up for parent teacher interviews, working bees, covering books, cooking – it is greatly appreciated and makes a difference.

I huge thank you to all the staff at Tambelin. Michelle, Meredith and Penny. This school would not be the school it is if it wasn't for your dedication, commitment, nurturing nature, and strength. You all work beyond and above what is expected. So thank you for your dedication to the School, children and parents. A personal thank you to the staff from me as you support me in my principal duties, as a teacher and a hearing board for all life issues beyond the classroom. I am forever thankful for your friendship, mutual respect and professionalism.

I wish every family a happy and safe holiday and we look forward to a great 2017.

Catherine Harborne
Principal

Educational and Financial Reporting

Policy

The school will maintain the relevant data and information and will comply with reporting requirements of the NSW Minister for Education and Training and the Commonwealth Department of Education, Science and Training. This reporting will include public disclosure of the educational and financial performance measures and policies of the school as required from time to time.

Procedures

Procedures for implementing the policy include:

- Identification of the staff member responsible for coordinating the final preparation and distribution of the Annual Report to BOSTES and other stake holders as required;
- For each reporting area, identification of the staff member responsible for the collection, analysis and storage of the relevant data and for providing the relevant information to the coordinator for inclusion in the report;
- Determination of the specific content to be included in each section of the report and reviewing this each year to ensure ongoing compliance, relevance and usefulness;
- Preparation of the report in an appropriate form to send to the BOSTES;
- Setting the annual schedule for
 1. Delivery of information for each reporting coordinator
 2. Preparation and publication of the report
 3. Distribution of the report to BOSTES and other stake holders.

Request for Additional Data

From time to time the Australian Government, through the Minister for Education, Science and Training may request additional information.

To ensure that such requests are dealt with appropriately, the school will identify the staff member responsible for coordinating the school's response. This person is responsible for the collection of the relevant data and for ensuring it is provided to BOSTES in an appropriate electronic form.

DEST Annual Financial Return

The school will identify the staff member responsible for completing the questionnaire. This person is responsible for the collection of the relevant data and for ensuring it is provided to the DEST in an appropriate form.

Value Added Information

It should be noted that Tambelin Independent School is a small school, with a maximum student enrolment of 30-32 students, and the overall result when using percentages and averages can be overly influenced by the results of 1 or 2 students.

School Performance in NAPLAN 2016

All students in Years 3 & 5 participated in the National Assessment Program Literacy and Numeracy (NAPLAN) in 2016.

<http://www.myschool.edu.au/SchoolProfile/Index/96590/TambelinIndependentSchool/43905/2016>

Teacher Standards

Category	Number of Teachers
i) Teachers having teacher education qualifications from a higher education institution within Australia or as recognised within the National Office of Overseas Skills Recognition guidelines (AEI-NOOSR) guidelines	3
ii) Teachers having a bachelor degree from a higher education institution within Australia or one recognised within the AEI-NOOSR guidelines but lack formal teacher education qualifications.	0

The school has copies of qualifications for each staff member these are used to determine the suitability of each teacher it has employed and, where relevant, copies of Institute of Teachers accreditation documentation;

1. The program of study that meets the requirements of the NSW Institute of Teachers being undertaken by each teacher in category above, the qualification(s) of the supervisor(s) and the role of that/those supervisor(s); and details, including the qualifications, of all part-time and full-time teaching staff.

Tambelin also employs one teacher assistants. Staff information is also available my school website <http://www.myschool.edu.au>

Professional Development for 2016

Course	Provider	No. Of Staff	Cost
Writing	AIS	2	#\$1205.00
Action Plan Networking Workshop	AIS	1	#2080.00
Anita Chin –conference	AIS	3	\$825.00

All costs for 2016 professional development were covered by National Partnership Funding.

Teacher Retention and Attention Rates

Average Non-Attendance of Teaching staff: 0

Retention Rate: 3/3 all teachers at Tambelin continued their service from the previous year.

Student Attendance

Whole school attendance rates can also be found on the My School website

<http://www.myschool.edu.au/StudentAttendance/Index/96590/TambelinIndependentSchool/43905/2016> under Tambelin Independent School.

It must be noted that when taking averages for a small school such as ours, extended periods of illness and families taking leave of absence does affect the overall attendance. For extended periods of leave parents/guardians are encouraged to apply for exemption. Parents make a request for exemption forms and returned to the Principal for consideration of exemption from school.

By law, attendance at school is compulsory. Attendance record is kept at the school with names, addresses in accordance with instruction supplied within. This record is completed daily.

The law requires the school to keep detailed record of absences. If a child is absent from school a written note to the class teacher (or phone call) explaining the reason for the child's absence. If preferred, notice of absence forms can be found in the parents area of the Tambelin website or on request. If children are late to school parents are required to fill in the relevant details in the yellow book in the entrance hallway.

Children who turn five prior to the end of July may be enrolled in the kindergarten class at the start of the same year. Year 1 - 6 students may also enrol during the year. As Tambelin enrolls a maximum of 32 per year, a successful new enrolment application depends on class numbers.

Pre-enrolment

After initial contact with the school, the prospective parent/guardian is given information about Tambelin School and, if enrolment is sought, advised to complete an Expression of Interest in Enrolment form.

When a position is available and possible enrolment is imminent, the teacher arranges a pre-enrolment interview.

Pre-enrolment Interview

Ideally both parents/guardians and the prospective student(s) attend the pre-enrolment interview, conducted with a Tambelin teacher and parent representative from the school association.

The interview aims to cover the history, philosophy, and educational structure of the school as well as the child's educational development/needs and previous educational experiences.

Before or during the interview, an *Enrolment Information Package* will be made available to parents/guardians. This includes an Enrolment Application form; a Tambelin Membership Application form; a Permission for Medical Treatment form; a Prohibited Employment Declaration; a Tambelin Information Booklet; an Infectious Diseases Information sheet, an '*Acknowledgement of Awareness*' that Tambelin is a nut free area and Enrolment checklist.

When returning the completed forms, you are also required to give the school documentary proof of age (e.g. birth certificate/passport), and a copy of the child's Immunisation record.

All forms are to be returned to the school for the enrolment process to continue.

Orientation/Trial Days

Kindergarten orientation usually takes place during Term 2, 3 & 4. This is usually 3 consecutive half days at school, from 9am to 12 midday. During this time, children are introduced to school routines and have a chance to make friends and experience school life. These days are very beneficial to the students as they begin school the following year with friendly faces in a familiar environment.

When enrolling new students in Year 1 and above, Tambelin will arrange a number of trial days. Trial days usually span a week. This allows the student, parents/guardians and Tambelin to further consider enrolment of the student. The school will then contact you regarding your application.

Materials such as stationery, pencils, scissors, and workbooks are provided at Tambelin.

Finalising Enrolment

The enrolment is endorsed at the next (parent committee) school meeting. For any enrolment to be endorsed, all enrolment forms and documents must be completed and submitted.

Children with Additional Needs/Disability

Tambelin accepts enrolment applications from children with additional needs. Consultation with parents/guardians and support services with regards to additional needs and available resources, determine whether or not Tambelin is the best environment for the child.

Pre-requisites for Continued Enrolment

School Disciplinary Procedures - consideration of any action, particularly to suspension, expulsion or exclusion, can be made at any time during the procedure. If necessary, a final decision will be made after consultation with parents, teachers, Tambelin's advisory body (Association of Independent Schools) and, if necessary, with the school committee.

Inability to Pay Fees by Due Date

Failure to make fee payments in accordance with written arrangements may result in the loss of your child's position at the school.

Student Population

Tambelin is a small school where children of different ages interact and learn together or in small groups.

Tambelin comprises a student population/enrolment of 31 students (throughout 2016) 48% girls and 52% boys.

Policies for Student Welfare

Tambelin endeavours to promote a healthy, supportive and secure environment for all children. The school aims to minimise the risk of harm and ensure students feel secure. We raise an awareness of what makes students resilient, to develop strategies to reduce vulnerabilities, to build student/school connectedness, and to increase coping skills. Tambelin supports the physical, social, academic, spiritual and emotional development of students.

Values Education

Tambelin teaches & integrates Values Education into the Curriculum. Each value: Care & Compassion; Doing Your Best; Fair Go; Freedom; Honesty & Trustworthiness; Integrity; Respect; Responsibility; Understanding, Tolerance & Inclusion are dealt with and used throughout the curriculum and for solving everyday problems.

Students sign a Code of Conduct, which is proudly displayed at the school. All behavioural incidents are related back to 'Code of Conduct' agreement. Other programmes in use, ie: Peer Support/Life Education further foster these values.

Policy	Changes	Access to Full Text
<i>Child Protection Policy:</i> The focus of Tambelin's duty of care is the protection of children from any form of abuse. Tambelin acts in accordance with all relevant legislation and takes into account other appropriate practices and guidelines aimed at the protection of children. The school's policy and detailed procedures will be amended	Child Protection information & Policies are revised in Staff meetings at the beginning of each year or when a new staff member arrives. Updating of Policy to include <i>Keep Them Safe</i>	Issued to all staff members and school committee Policy overview available in School Information Booklet & Child Protection Investigation procedure folder in the school's office.

from time to time to take into account amendments to the legislation and regulation.

Policies for Student Discipline

Students are required to abide by the school's rules and to follow the directions of teachers and other people involved with authority delegated by the school. Where disciplinary action is required, penalties imposed vary according to the nature of the breach of discipline and a student's prior behaviour. Corporal punishment is not permitted under any circumstances.

All disciplinary action that may result in any sanction against the student is based on procedural fairness.

The full text to the school's discipline policy and associated procedures is provided to all members of the school community through;

- The Parent Information Booklet
- Procedures and Policy Manual

Complaints and Grievance Resolution Policy

Tambelin Independent School strives to provide a positive, constructive, open and inclusive school environment for students, teachers and parents. Its Complaints and Grievances Resolution Policy is closely aligned with its Mission Statement and Philosophy, in that Tambelin strives to provide a happy learning environment where students' individual needs as well as those of the school community are core priorities.

It is important to resolve any concern, comment or grievance about any aspect of the school, regardless of size, promptly in a communicative and confidential setting.

The school endeavours to achieve outcomes for students, teachers and parents in a fair and impartial manner, based on the following stepwise process and clear and transparent guidelines.

Grievance Resolution Procedure

1. Verbal or written notification of the grievance or issue is given to the parties involved (eg: teacher). A formal meeting is then arranged to discuss the issue in detail. The time of this meeting is arranged to suit both parties and to ensure confidentiality. *If resolution is not achieved by undertaking Step 1 of the Grievance Procedure;*
2. A confidential meeting can be arranged with the senior teacher and all other parties involved in order to reach resolution of the issue, *Where the party that initially raised the issue is not satisfied with the resolution outcome of Step 2 of the Grievance Procedure;*
3. The party that raised the issue can choose to address a confidential meeting of three Executive Committee Members, during which a decision on resolution of the issue is made. All parties are also encouraged to have support person at this meeting. The Executive Committee may consult with the Australian Independent Schools Association to verify that the above steps have achieved a satisfactory outcome for all parties, with the benefit of the school community in mind. A formal complaint is required to be addressed to the President of the School Committee.

Achievement Priorities for 2016

Area	Priorities	Achievements
Teaching and Learning	Continue with a whole school spelling program	All children participate in spelling mastery for 4 x 25 minutes sessions every week
	Primary Connections Science Units of work	Very specific units of work where children really enjoyed the hands on approach to “real” Science and Literacy:
	Focus on Numeracy lessons and differentiation in those lessons to cater for all students.	Follow strict guidelines and implement changes to improve student outcomes
	Maintain and continue Assessment of Numeracy skills for all children LIN/LIEN/NKT. Outcome based assessment tool for staff to learn and implement to find out where children at.	All children in Year 3 -6 participate in the JEMM & EMM program.
	Premiers Reading Challenge	Increased reading and borrowing in the Library
	Learning to Swim program	All students participated in the swimming program that was held in Term 4
	Fundamental movement skills	All students throughout the year are taught specific Fundamental movement skills. Introduce student self-assessment using videoing.

Formal assessments for
reading DIBELS/NEALE –
Whole school
National Partnerships 2016

**School Parent
Committee**

Mother's day stall
Father's day Stall
Relocate library & painting of school library
Yard – pergola roofing & tables to be striped and sanded
Maintain and support parent involvement in the school
environment

Achievement Priorities for 2017

Area	Priorities	Achievements
Teaching and Learning	Primary Connections Science Units of work	Very specific units of work where children really enjoyed the hands on approach to “real” Science and Literacy:
	Continue with a whole school spelling program	All children participate in spelling mastery for 4 x 25 minutes sessions every week
	Maintain and continue Assessment of Numeracy skills for all children LIN/LIEN.	Follow strict guidelines and implement changes to improve student outcomes
	Number knowledge test (Outcome based assessment tool for staff to learn and implement to find out where children at.)	
	Focus on Numeracy lessons and differentiation in those lessons to cater for all students.	
	Premiers Reading Challenge

A total of 22 students were surveyed.

2. Parent Satisfaction:

Parents have an opportunity to talk to the staff every afternoon after and even before school. Staff make themselves available through text messages, phone calls, notes and or in person to arrange times for more formal meetings. A parent Survey was handed out to all parents and 16 families responded. Comments from this survey....

Please write three things you would like the school to do better:

- Sometimes not much turn around for permission notes
- Creative and performing arts
- Opportunities for involvement in special interest writers comp/workshops
- School website
- School Facebook
- Swimming lessons
- Parents should be more involved in meetings
- Policy/ procedures consistently followed
- More notice on school events
- More newsletters
- Kitchen to be upgraded
- Sporting equipment
- Set interactive homework
- Notes out earlier
- Feedback online

Please write three things you think the school does really well:

- Text message communication
- Teaching and teaching resources
- Variety of p[physical activities
- Excursions to fun places.
- Teaching
- Behaviour management
- Keeping parents informed
- Teaching
- Nurturing and respectful environment
- Teachers keep up to date with their educational development
- Term calendar
- Pre kindy orientation
- Sporting events/excursions art/history/plays

- Nurtures individual students
- Excellent program for learning and skilled staff
- Literacy and numeracy
- Developing a whole school culture where all children no matter what age or class
- Allowing older children to be contributors to the younger children's learning, reading support and maths support
- Teachers communicate well with me
- Help my child when he was struggling with reading
- Treats all children the same
- Communication between students, parents and teachers
- Provides great sense of community to students and families
- Involvement with other schools and creating opportunities.
- Could not be happier with our experience at the school
- Provide a wonderful and caring environment to encourage learning
- Approaching and catering for all children and the way they learn.
- Variety of learning experiences
- Community based excursions
- Address issues quickly
- Encourages students
- Supports students in improvement
- School cooking
- Adapting teaching to children's strengths
- All students enjoying excursions
- Communication
- Giving kids positive nurturing one on one
- Out of school activities.

3. Teacher satisfaction:

“I feel high expectations are held and are nurtured and supported through explicit teaching of well researched programs and these include clearly articulated learning goals and learning structures”

“I feel the principal leads by example and is directly and passionately involved in teaching/learning process and offers constructive feedback, modelling & support & guidance to teachers regularly – formally and informally and takes on ideas of others”

“Due to no admin time principal sees teachers in action in passing or if working collaboratively with teachers. The principal always encourages us to improve our literacy teaching through professional development and the changes in our student population”

Financial Report
