## NAPLAN

NAPLAN testing was carried out with students in Year 3 and 5 completing assessments in reading, writing, language conventions and numeracy. We have stressed to the students that this testing is only a measure of a point in time. We know the students better than a one off test can determine and just encourage students to do their best. An added incentive to help students settle into the tasks were hot milo and some yummy snacks beforehand.

## Mother's Day Stall

We sincerely hope all mothers were spoilt on Mother's Day. Year 6 students ran a fabulous stall with items ranging from \$2-\$6 and the students sure enjoyed the shopping experience. All money raised will be deposited into the school's fundraising account.

## School Banking

School banking day is each Thursday. Sarah Green has kindly facilitated weekly school banking with the Commonwealth Bank. We even had a special visit from Pat which the students enjoyed. Sarah collects the banking first thing each Thursday morning so please have your child's folder ready.

## Wombeyan Caves Excursion

Tambelin students certainly did our school proud on an overnight excursion to Wombeyan Caves. We had some lovely feedback from the staff at the caves. The weather was glorious and the students engaged in some great learning experiences. We would like to extend a huge thank you to parents who assisted and to Mary Bonet for organising.

## National Simultaneous Storytime

Tambelin students enjoyed National Simultaneous Storytime 2018 in the great outdoors. This year's book was fabulous read! The author shares a message of perseverance using a new version of a well-known nursery rhyme. Thank you to Gigi for reading aloud.

## Certificate of Excellence Write4fun competition

Congratulations to all senior students who entered the Write4Fun competition. Tambelin received a Certificate of Excellence for outstanding student achievement. Well done to everyone involved!

## Hatching Chicks

Thank you to Meredith for organising the 'Hatching Chicks' program. The students have enjoyed observing and caring for the chicks. We had a hatch rate of 100%. The students have engaged in many and varied learning activities associated with the chicks and ducks. Thank you to the Francis family for adopting our two ducklings. They are very cute but also very smelly and require more care than we could offer at school. We are keeping our chicks at this stage and the students have been busy in their duties to assist in caring for them.

# FOOD REVOLUTION ... 2017 ...

## Jamie Olivers Food Revolution Day

Tambelin students participated in Jamie Oliver's Food revolution Day. Thank you to Meredith, Catherine and Penny for organising and assisting students on the day. The minestrone soup was so delicious it made another appearance for canteen day. What a great initiative to teach students to not only enjoy a range of healthy

delicious foods but also how to prepare them!

## Canberra Excursion- Parliament House and Electoral Commission

Senior students travelled to Canberra to explore Parliament House and The Electoral Commission. This excursion supported the Senior's unit on Democracy. Thank you to Catherine and Meredith for organising and transporting students on the day.
