Term 1 Newsletter 2018

to the 2018 School Year! It is lovely to see all of last year's students return and exciting to welcome many new students and their families. The year is off to a great start. All students have settled in well and are working hard. We currently have 26 students enrolled- 13 students in the Senior Room and 13 in the Junior Room. The staffing arrangement is as follows:

Senior Room- Michelle MON Catherine TUE-FRI

Junior Room- Meredith MON-WED, Michelle WED-FRI

Teaching Assistant- Penny MON-THUR

THANK YOU

We would like to extend a huge thank you to all families who assisted in watering the school lawn during the holidays. Our playground is looking fabulous! We would also

like to thank Trudy and Buddy's Grandma for embroidering names on students' hats. This will really help the students to manage their hats.

Nutrition at school.

Students have been enjoying some yummy, healthy lunches at school which is pleasing to see. It is important to ensure your child has adequate food to get them through the day and that lunchboxes are packed with food they can manage so they can finish eating and enjoy playtime. Some students are struggling to get through the first session of the day. A good breakfast is vital in assisting your child's learning so we encourage making this a priority in the morning routine.
